

**Minutes of a meeting of
Wells Neighbourhood Plan Steering Group
held on 15th November 2022 by Zoom**

Present:

Cllrs Denise Denis & Shirley Eden

St Cuthbert Out Parish Council: Tony Hathway

1. Apologies for absence from cllrs Gordon Folkard, Sarah Powell & Deborah Orrett and Stuart Todd
2. Minutes of the meeting held on 16th August 2022 approved subject to addition of cllr Tony Hathway as having given his apology.
3. Report on consultation and other documents noted
4. Report on Local Green Spaces

Noted with particular reference to objections from Mendip, the Blue School, other state schools and the Cathedral. Following the discussion with Mendip, it was acknowledged that to withdraw these Local Green Spaces would have a negative impact on all other proposed designations. For that reason, it was considered appropriate to proceed with all and await comments from the Independent Examiner. Cllr Tony Hathway commented that the linear cycle way in St Cuthbert Out to the west of the Charlie Bigham factory would be subject of an application for designation as a Local Green Space.

5. Meeting with Mendip

This had taken place earlier on that day and a note is attached. The changes proposed by Mendip were either accepted or maintained for the Independent Examiner to make a decision.

6. Infrastructure

7. Next steps

Next meeting – 13th December 2022
