These Financial Regulations were adopted by the Council at its meeting held on

.....

1. GENERAL

These financial regulations govern the conduct of financial management by the council and may only be amended or varied by resolution of the council. Financial regulations are one of the council's governing policy documents providing procedural guidance for members and officers. Financial regulations must be observed in conjunction with the council's standing orders and any individual financial regulations relating to contracts.

The council is responsible in law for ensuring that its financial management is adequate and effective and that the council has a sound system of internal control which facilitates the effective exercise of the council's functions, including arrangements for the management of risk.

The council's accounting control systems must include measures:

- For the timely production of accounts
- Provide for the rigorous and efficient safeguarding of public money
- To prevent and detect inaccuracy and fraud
- Identify the duties of officers.

These financial regulations demonstrate how the council meets these responsibilities and requirements.

At least once a year, prior to approving the Annual Governance Statement, the council must review the effectiveness of its system of internal control which shall be in accordance with proper practices.

Deliberate or wilful breach of these Regulations by an employee may give rise to disciplinary proceedings.

Members of Council are expected to follow the instructions within these Regulations and not to entice employees to breach them. Failure to follow instructions within these Regulations brings the office of Councillor into disrepute.

The Responsible Financial Officer (RFO) holds a statutory office to be appointed by the council.

The RFO:

- Acts under the policy direction of the council;
- Administers the council's financial affairs in accordance with all Acts, Regulations and proper practices;
- Determines on behalf of the council its accounting records and accounting control systems;
- Ensures the accounting control systems are observed;
- Maintains the accounting records of the council up to date in accordance with proper practices;
- Assists the council to secure economy, efficiency and effectiveness in the use of its resources;

- Produces financial management information as required by the council.

The accounting records determined by the RFO shall be sufficient to show and explain the council's transactions and to enable the RFO to ensure that any income and expenditure account and statement of balances, or record of receipts and payments and additional information, as the case may be, or management information prepared for the council from time to time, comply with the Accounts and Audit Regulations.

The accounting records determined by the RFO shall in particular contain:

- Entries from day to day of all sums of money received and expended by the council and the matters to which the income and expenditure or receipts and payments account relate;
- A record of the assets and liabilities of the council;
- Wherever relevant, a record of the council's income and expenditure in relation to claims made, or to be made, for any contribution, grant or subsidy.

The accounting control systems determined by the RFO shall include:

- Procedures to ensure that the financial transactions of the council are recorded as soon as reasonably practicable and as accurately and reasonably as possible;
- Procedures to enable the prevention and detection of inaccuracies and fraud and the ability to reconstruct any lost records;
- Identification of the duties of officers dealing with financial transactions and division of responsibilities of those officers in relation to significant transactions;
- Procedures to ensure that uncollectable amounts, including any bad debts, are not submitted to the council for approval to be written off except with the approval of the RFO and that the approvals are shown in the accounting records;
- Measures to ensure that risk is properly managed.

The council is not empowered by these Regulations or otherwise to delegate certain specified decisions.

In particular, any decision regarding:

- Setting the final budget or the precept (council tax requirement);
- Approving accounting statements;
- Approving an annual governance statement;
- Borrowing;
- Writing off bad debts;
- Declaring eligibility for the General Power of Competence; and
- Addressing recommendations in any report from the internal or external auditors,

shall be a matter for the full council only.

In addition, the council must:

- Determine and keep under regular review the bank mandate for all council bank accounts;
- Approve any grant or a single commitment in excess of £10,000 and
- In respect of the annual salary for any employee have regard to recommendations about annual salaries of employees made by the relevant committee in accordance with its terms of reference.

In these financial regulations, references to the Accounts and Audit Regulations or 'the Regulations' shall mean the regulations issued under the provisions of section 27 of the Audit Commission Act 1998, or any superseding legislation, and then in force unless otherwise specified.

In these financial regulations the term 'proper practice' or 'proper practices' shall refer to guidance issued in *Governance and Accountability for Local Councils - a Practitioners' Guide (England)* issued by the Joint Practitioners Advisory Group (JPAG), available from the websites of NALC and the Society for Local Council Clerks (SLCC).

2. ACCOUNTING AND AUDIT (INTERNAL AND EXTERNAL)

- All accounting procedures and financial records of the council shall be determined by the RFO in accordance with the Accounts and Audit Regulations, appropriate guidance and proper practices.
- At each meeting of the Finance Committee a member other than the Chair shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign the reconciliations and the original bank statements (or similar document) as evidence of verification. - The RFO shall complete the annual statement of accounts, annual report, and any related documents of the council contained in the Annual Return (as specified in proper practices) as soon as practicable after the end of the financial year and having certified the accounts shall submit them and report thereon to the council within the timescales set by the Accounts and Audit Regulations.
- The council shall ensure that there is an adequate and effective system of internal audit of its accounting records, and of its system of internal control in accordance with proper practices. Any officer or member of the council shall make available such documents and records as appear to the council to be necessary for the purpose of the audit and shall, as directed by the council, supply the RFO, internal auditor, or external auditor with such information and explanation as the council considers necessary for that purpose.

The internal auditor shall be appointed by and shall carry out the work in relation to internal controls required by the council in accordance with proper practices.

For the avoidance of doubt, in relation to internal audit the terms 'independent' and 'independence' shall have the same meaning as is described in proper practices.

The internal auditor shall:

- Be competent and independent of the financial operations of the council;

Internal or external auditors may not under any circumstances:

- Perform any operational duties for the council;
- Initiate or approve accounting transactions; or
- Direct the activities of any council employee, except to the extent that such employees have been appropriately assigned to assist the internal auditor.

The RFO shall make arrangements for the exercise of electors' rights in relation to the accounts including the opportunity to inspect the accounts, books, and vouchers; and display or publish any notices and statements of account required by the Audit Commission Act 1998, or any superseding legislation, and the Accounts and Audit Regulations.

The RFO shall, without undue delay, bring to the attention of all councillors any correspondence or report from internal or external auditors.

3. ANNUAL ESTIMATES (BUDGET) AND FORWARD PLANNING

- Each committee shall review its revenue and capital receipts and payments. Having regard, it shall thereafter formulate and submit proposals for the following financial year to the RFO not later than the second week of October each year, including any proposals for revising its budget.
- The RFO must each year, by no later than November prepare detailed estimates of all receipts and payments including the use of reserves and all sources of funding for the following financial year in the form of a budget to be considered by the Finance & Council Matters committee and the council.
- The council shall consider annual budget proposals in relation to the council's three year forecast of revenue and capital receipts and payments including recommendations for the use of reserves and sources of funding and update the forecast accordingly.

- The council shall fix the precept (council tax requirement), and relevant basic amount of council tax to be levied for the ensuing financial year not later than by the end of January each year. The RFO shall issue the precept to the billing authority and shall supply each member with a copy of the approved annual budget.
- The approved annual budget shall form the basis of financial control for the ensuing year.

4. BUDGETARY CONTROL AND AUTHORITY TO SPEND

Expenditure on revenue items may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is to be determined by:

- The council for all items over £10,000;
- A duly delegated committee of the council for items over £2,000;
- The RFO/Senior Officers, in consultation with the Chair or Lead Councillor of the appropriate committee for any items between £1,000- £2,000;
- RFO or Senior Officers can authorise payments up to £1,000

Contracts may not be disaggregated to avoid controls imposed by these regulations.

No expenditure may be authorised that will exceed the amount provided in the revenue budget for that class of expenditure other than by resolution of the council, or duly delegated committee. During the budget year, and with the approval of council having considered fully the implications for public services, unspent and available amounts may be moved to other budget headings or to an earmarked reserve as appropriate.

Unspent provisions in the revenue or capital budgets for completed projects shall not be carried forward to a subsequent year.

The salary budgets are to be reviewed at least annually in October for the following financial year and such review shall be presented to the Finance committee. The RFO will inform committees of any changes impacting on their budget requirement for the coming year in good time.

In cases of extreme risk to the delivery of council services, the RFO may authorise revenue expenditure on behalf of the council which in their judgement it is necessary to carry out. Such expenditure is subject to a limit of £5,000 to include repair, replacement or other work, whether or not there is any budgetary provision for the expenditure. The RFO shall report such action to the Chair of Finance & Council Matters as soon as possible and to the committee as soon as practicable thereafter.

No expenditure shall be authorised in relation to any capital project and no contract entered into or tender accepted involving capital expenditure unless the council is satisfied that the necessary funds are available and the requisite borrowing approval has been obtained.

All capital works shall be administered in accordance with the council's standing orders and financial regulations relating to contracts.

The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared monthly and show explanations of material variances.

Changes in earmarked reserves shall be approved by council as part of the budgetary/year end control process.

5. BANKING ARRANGEMENTS AND AUTHORISATION OF PAYMENTS

The council's banking arrangements, including the bank mandate, shall be made by the RFO and approved by the council; banking arrangements may not be delegated to a committee. They shall be regularly reviewed for safety and efficiency.

The RFO shall prepare a schedule of payments requiring authorisation, forming part of the Agenda for the Meeting and, together with the relevant invoices, present the schedule to the Finance & Council Matters. The committee shall review the schedule for compliance and, having satisfied itself, shall authorise payment by a resolution of the Finance committee. The approved schedule shall be ruled off and initialled by the Chair of the Meeting. A detailed list of all payments shall be disclosed within or as an attachment to the minutes of the meeting at which payment was authorised. Personal payments (including salaries, wages, expenses and any payment made in relation to the termination of a contract of employment) may be summarised to remove public access to any personal information.

All invoices for payment shall be examined, verified and certified by the RFO to confirm that the work, goods or services to which each invoice relates has been received, carried out, examined and represents expenditure previously approved by the council.

The RFO shall examine invoices for arithmetical accuracy and analyse them to the appropriate expenditure heading. The RFO shall take all steps to pay all invoices submitted, and which are in order, at the next available Finance Committee meeting.

The RFO shall have delegated authority to authorise the payment of items only in the following circumstances:

- If a payment is necessary to avoid a charge to interest under the Late Payment of Commercial Debts (Interest) Act 1998, and the due date for payment is before the next scheduled meeting of council, where the RFO certifies that there is no dispute or other reason to delay payment, provided that a list of such payments shall be submitted to the next appropriate meeting of the Finance committee;

- For each financial year the RFO shall draw up a list of due payments which arise on a regular basis as the result of a continuing contract, statutory duty, or obligation (such as but not exclusively) Salaries, PAYE and NI, Superannuation Fund and regular maintenance contracts. The Finance & Council Matters, may then authorise these payments for the year provided that the requirements of regulation 4.1 (Budgetary Controls) are adhered to. A list of such payments shall then be submitted to the next appropriate meeting of the Finance committee.
- A record of regular payments made under 5.4 above shall be drawn up and be signed by two members on each and every occasion when payment is authorised - thus controlling the risk of duplicated payments being authorised and / or made.
- In respect of grants a duly authorised committee shall approve expenditure within any limits set by the Council and in accordance with any policy statement approved by the Council. Any Revenue or Capital Grant in excess of £5,000 shall, before payment, be subject to ratification by resolution of the Council.
